COMPLETE LOAN DOCUMENTS

• Complete Entrance Counseling and electronically sign the Loan Agreement (Master Promissory Note) for the Direct Unsubsidized Loan and the Direct Graduate PLUS Loan at StudentLoans.gov.

• Direct Unsubsidized Loan - If you accept the Federal Direct Unsubsidized Loan, complete Entrance Counseling and the Loan Agreement (MPN). Both the Entrance Counseling and MPN need to be completed in order for funds to be disbursed to your student account.

• Many graduate and professional students borrow the Federal Direct Graduate PLUS Loan in addition to the Federal Direct Unsubsidized Loan to cover their tuition and expenses. The Graduate PLUS Loan is credit-based. Please visit StudentAid.ed.gov for detailed information regarding PLUS Loan credit requirements.

• Direct Graduate PLUS Loan - Once you have made the decision to apply for the Direct Graduate PLUS Loan, visit StudentLoans.gov to complete the Direct PLUS loan.
  - If approved for the Direct Graduate PLUS Loan, complete a separate Loan Agreement (MPN) for this loan.
  - If denied for the Direct Graduate PLUS Loan, you can reapply with a co-signer (endorser) or appeal the denial through the Department of Education.

• Alternative Loans - If you chose to borrow an alternative loan through a private lender or bank, you must submit your application directly through the lenders website.

FINANCIAL AID AND YOUR BILL

• Loans will appear on your billing statement as anticipated aid if you have finalized your loans prior to the date you receive your billing statement. If your anticipated loan disbursements do not appear on your billing statement, please check your Financial Aid Pony Tracks through My.SMU for additional information. Personal payments, institutional or departmental aid, or student loans that are finalized after you receive your bill WILL NOT generate a new billing statement.

• If you wish to view the most recent student account information, including all financial aid processed after your official billing statement was received, please see step 6 of your Financial Aid Pony Tracks through my.SMU.edu.

• PLEASE READ CAREFULLY: Financial aid is available and intended for the sole purpose of providing assistance with educational expenses. The processing status of your financial aid will not supersede or eliminate your responsibility to ensure full payment by the published payment due date. SMU STRONGLY recommends that students allow a minimum of 4-6 weeks prior to the start of classes in order to complete the financial aid process. To avoid all late fees, please file early, check your SMU e-mail and FA Pony Tracks daily, and make sure to complete all of the loan documents well in advance of the start of classes. Your loans through my.SMU.edu and received notice through SMU e-mail that your loans are ready to complete.

• Continuing students must clear any outstanding Holds or document requests through my.SMU.edu. This includes Satisfactory Academic Progress (SAP) appeals for financial aid and all financial/enrollment holds through the Office of Student Accounts.
